SIR REPAIRS TO THE SRI YOGA NARASIMHASWAMI TEMPLE AT MELKOTE.

I have the honour to inform you that a lumpsum provision of Rs.5,841/- for the restoration of images and other designs on the Gopuram was made in the revised estimate for repairing the Sri Yoga Narasimhaswami Temple at Melkote sanctioned for Rs.22,770/- in G.O. No.347-9/Muz.243-22-11 dated the 29th August 1924.

2. The First Member of Council who inspected the temple on the 7th June 1925 observed that the wood work inside the Gopuram of the temple had deteriorated considerably and with a view to avoid ---- further collapse ordered the ~~removal~~ renewal of wood-work.

3. The Executive Engineer, Mysore Division in accordance with the instructions issued by the Member has prepared a deviation --- statement amounting to Rs.5,8~~64~~91- proposing to utilize this amount for the ~~removal~~ renewal of the wood work inside the gopuram instead of --- restoring the images and other designs to the gopuram. This as -- scrutinized in this office reduces itself to Rs.5,790/- resulting in a savings of Rs.51/- over the sanctioned lumpsum provision. This is forwarded herewith for favour of approval.
